GLP-1 Weight Loss Programs

Standalone weight loss programs - available independently

Our GLP-1 programs are standalone weight loss programs available independently. Pricing is based on dosage strength - if you need to titrate up, you'll pay the higher tier pricing.

Semaglutide (SEMA) and Tirzepatide (TIRZ) are administered as weekly in-clinic injections under provider supervision.

SEMAGLUTIDE (SEMA)

**SEMA
1: \$299/MO**

Dosage: 0.25 - 0.75

**SEMA
2: \$399/MO**

Dosage: 1.0+

TIRZEPATIDE (TIRZ)

TIRZ 1: \$349/MO

Dosage: 2.5 - 7.5mg

TIRZ 2: \$549/MO

Dosage: 10mg+

GLP-1 MEMBERSHIP BENEFITS

- ✓ 20% off all peptide programs*
- ✓ Free weekly 3D body scan
- ✓ Provider supervision and monitoring

Important Information

Please read the following details carefully

Footnotes & Disclaimers

- * Peptide programs exclude GLP-1s (Semaglutide & Tirzepatide)
- **** Titration Pricing:** If you need to titrate up to a higher strength, you will pay the higher tier treatment program fee (e.g., SEMA Membership 2 at \$399/month instead of SEMA Membership 1 at \$299/month).

Medication & Refill Policy

- Impact Health Clinics does not sell prescription medications.
- When medically appropriate, our providers may write prescriptions, which are filled directly by the pharmacy.
- Members are responsible for requesting refills according to their respective program and prescription instructions.
- Any shipping and processing fees are separate from membership pricing.

CHOOSE YOUR TIER
